

LUDOVICO CARRINO

CURRICULUM VITAE

(December 2024)

Office address DEPARTMENT OF ECONOMICS (DEAMS), UNIVERSITY OF TRIESTE,
VIA VALERIO, 4/1 – BUILDING D (ROOM 2.11) - 34127 TRIESTE ITALIA

Web-page, e-mail <https://www.units.it/persona/index.php/from/abook/persona/22889>
LUDOVICO.CARRINO@UNITS.IT, LUDOVICO.CARRINO@KCL.AC.UK LUDOVICO@UNIVE.IT

Nationality ITALIAN

Research interests Public Economics: Economics of Ageing, Pension, Health and Long-Term Care.
Social determinants of health. Economics of mental health.
Policy evaluation; applied Micro-Econometrics, Poverty and Welfare Measurement.

RESEARCH: CURRENT AND PAST POSITIONS

Jan 2022 - **Senior lecturer in Public Economics (Ricercatore Rtd-b in Scienza delle Finanze)**, *Department of Economics, University of Trieste*

Jan 2022 - **Visiting Professor**, *Department of Global Health & Social Medicine, King's College London*

Apr 2022- **Affiliated Researcher**, *ESRC Center for Society and Mental Health, King's College London.*

Sep 2016 – current **Affiliated Rresearcher (Cultore della materia)** in Public Economics, *Ca' Foscari University, Venezia*

Past positions

Jun 2021 – Jun 2023 **Consultant**, *World Health Organisation (WHO) Centre for Health Development (Kobe)*

Jan 2019 – Jan 2022 **Research Fellow**, *Department of Global Health & Social Medicine, King's College London*

Sep 2016 – Dec 2018 **Research Associate**, *Department of Global Health & Social Medicine, King's College London*

Feb 2014 – Sep 2016 **Research Associate**, *Economics Department, Ca' Foscari University, Venezia*

Jan - Dec 2014 **Research Assistant**, *Union of Chambers of Commerce Veneto, Venezia*

Apr - Dec 2013 **Research Assistant**, *Ca' Foscari Foundation, Venezia*

EDUCATION

Feb 2015 **Ph.D. in Economics**, *Graduate School of Economics, Ca' Foscari University Venezia*
Thesis: Understanding vulnerability and patterns of elderly-care in Europe.
Supervisor: prof. A. Brugiavini. *Committee:* V. Atella; M. Avendaño; E. Bonsang; J. Maurer

2006 - 2009 **Master of Science in Applied Economics** (Magna cum Laude), *University of Trieste*

2002 - 2006 **Bachelor of Science in International Economics** (Magna), *University of Trieste*

Further education and qualifications

Jun 2023 **National Qualification for Associate Professor in Public Economics** (Abilitazione Scientifica Nazionale, SECS-P/03 Scienza delle Finanze)

Sep 2016 **Graduate Teaching Assistant Training**, *Department of Global Health & Social Medicine, King's College*

May - Jun 2016 **International Academic Lecturing course**, *School for International Education, Università Ca' Foscari*

Jun 2014, Jun 2015 **International Summer School of Ageing**, *Venice International University, Venezia*

Jun-Jul 2014 **Summer School in Microeconometrics and data analysis**, *Barcelona Graduate School*

Mar 2012- Jun 2013 **Visiting Ph.D. student**, *Center of Research in Public Economics and Population Economics (CREPP), University of Liège; supervisor: prof. Pierre Pestieau*
(discontinuous)

TEACHING: CURRENT POSITIONS

As Senior Lecturer (Ricercatore Rtd-b) at University of Trieste (*Dep. Of Economics*)

- **Microeconomia Applicata** (Postgraduate, 15h) (2023-)
- **Macroeconomics** (Undergraduate, 60h) (2022-)
- **Scienza delle Finanze** (Public Economics) (Undergraduate, 45h) (2022-)
- **Microeconomia** (Undergraduate, 15h) (2022)
- **Economics Lab for quantitative analysis** (Undergraduate, 9 hours) (2023-)

At King's College London

- **External examiner** for the Ph.D. programme in Gerontology (Department of Global Health & Social Medicine) (2022-)

At University of Trieste (UNITS), King's College (KCL) and University of Venezia (UNIVE)

- **Dissertation supervisor, doctoral, postgraduate and undergraduate level** (95 students) (2016-2025)
 - o 82 completed undergraduate (6 at KCL; 73 at UNITS; 3 at UNIVE)
 - o 4 completed postgraduate (KCL)
 - o 9 ongoing dissertations at UNITS: (1 doctoral, 3 postgraduate, 5 undergraduate)
- **Supervisor of internship students** (8 students at UNITS)

TEACHING: PAST POSITIONS

At King's College London (*Dep. Global Health & Social Medicine*)

- **Module Convenor and Lecturer** of Data Manipulation and Management (Postgraduate, 30h) (2019-2022).
- **Module Convenor and Lecturer** of Applied Epidemiology and Social Statistics (Undergraduate, 20h), 2021.
- **Guest lecturer** for 7 modules: Population Ageing & Policy (Postgraduate), 2016-2020; Quantitative Data Analysis (Postgraduate), 2021; Advanced Epidemiology and Social Statistics (Undergraduate), 2019-20; Ageing: A Global Perspective (Undergraduate), 2021; Dissertation Module (Undergraduate), 2017, 2019, 2020, 2021; Key concepts of global health (Undergraduate), 2018; Case Studies Global Health (Undergraduate), 2017.
- **Graduate Teaching Assistant** for 3 modules: Data Manipulation and Management (postgraduate), 2017-2018; Quantitative Data Analysis (postgraduate), 2017-2021; Advanced Epidemiology & Social Statistics (undergraduate), 2018-2020.
- **Module convenor** for Gerontology Research Project (Undergraduate), 2016-2017.

At the London Interdisciplinary Social Science Doctoral Training Partnership (LISS-DTP)

- **Module Convenor and Lecturer** of Data Management & Manipulation (Ph.D. course, 30h) (2019-2022).

At Universities of Trieste and Venezia

- **Adjunct Professor of Scienza delle Finanze (Public Economics)** (Undergraduate, 25h), *Department of Economics, University of Trieste* (2015-2021).
- **Guest lecturer** for Data Analysis-Hands on sessions. International Summer School of Ageing, *Venice International University*. 3 years (2016, 2019, 2021).
- **Guest lecturer** for Ph.D. module in Science and Management of Climate Change, *Ca' Foscari University*, 2016, 2019.
- **Adjunct professor of Microeconomics** (Undergraduate, 30h), *Department of Economics, Ca' Foscari University Venezia*, 2015.
- **Adjunct professor of Public Economics**, Master in Public Administration, *Ca' Foscari University*, 2015-2016.
- **Teaching Assistant** for Introduction to Economics (undergraduate), *Ca' Foscari University Venezia*, 2015-2016.
- **Adjunct Professor of Public Economics** (Undergraduate), *Department of Economics, University of Trieste* (2015-2021).
- **Guest lecturer** for Data Analysis-Hands on sessions. International Summer School of Ageing, *Venice International University*. 3 years (2016, 2019, 2021).

TEACHING: STUDENT EVALUATION SCORES

Selected summary of students' evaluation published by the University of Trieste (details in a separate document). The score for the module ranges from 0 (bad) to 10 (excellent). Average scores for the whole Programme are in brackets.

Scienza delle Finanze (Public Economics) (2015-2024)

- Last year: Engagement 9.14 (7.93), Clarity 8.89 (7.97), Overall satisfaction 8.53 (7.77).
- All years: Engagement 8.32 (7.89), Clarity 8.42 (7.96), Overall satisfaction 8.25 (7.78).

Macroeconomics (2022-2024)

- Last year: Engagement 8.98 (7.93), Clarity 8.92 (7.97), Overall satisfaction 8.82 (7.77).
- All years: Engagement 9.13 (7.85), Clarity 9.16 (7.93), Overall satisfaction 8.99 (7.73).

Microeconomia applicata (joint with prof. Mariangela Scorrano, 2023-2024)

- Last year: Engagement 8.2 (7.83), Clarity 8.6 (7.93), Overall satisfaction 8 (7.9).
- All years: Engagement 8.5 (7.82), Clarity 8.8 (7.83), Overall satisfaction 8.25 (7.72).

ACADEMIC ADMINISTRATION ROLES AND LEADERSHIP

At University of Trieste

- **Deputy coordinator of the Ph.D. programme in Circular Economy (2024-2027)**
- **University of Trieste Work-group on academic community well-being** (leader: prof. Barbara Penolazzi)
- **Economics Department: Department Delegate for Students' Wellbeing and Support**
- **Economics Department: Deputy delegate for Tutoring Activities**
- **Economics Department: Member of the Research Committee**

At King's College London (*Dep. Global Health & Social Medicine*)

- **Co-director of the Institute of Gerontology, 2021-2022.**
- **Director of the IBSc Gerontology** (then Global Ageing Health and Policy), 2016/2017. Deputy in 2018 and 2019.
- **Member of recruiting committee for Research Associates and Research Assistants, King's College London.**
- **Member of the committee** drafting the Department's Research Excellence Framework (REF 2021).
- **Marketing testimonial for the Department** and the Institute of Gerontology, 2019-2021.

RESEARCH: ACTIVITY AND FUNDING

Leadership and collaboration in international research projects

1. **Co-investigator for the project "G2AGING – Gateway to Global Aging"** (Main PI: Prof. Jinkook Lee). **Principal Investigator** for the Trieste Research Unit. 2024-2027.
2. **Co-investigator for the project "PRO-BENECOMUNE"** at the University of Trieste. Funded by the Ministry of University and Research (2024-2025). Project code PROBEN_0000008. Leader unit: University of Calabria. Local PI: Prof. Barbara Penolazzi.
3. **Co-investigator for the project "NBER LTC Dementia project"** (PI: McGarry K. & McGarry B.)
4. **Co-investigator for the project "NBER LTC International project"** (PI: McGarry K. & Gruber J.).
5. **Coordinator and Co-Principal Investigator** for the project "Understanding the mental health impact of the UK Government social welfare system response to COVID-19" (seed project 2020) at King's College London, funded by the ESRC Centre for Society and Mental Health (PI: Avendano).
6. **Coordinator and Co-Principal Investigator** for the project "The impact of Long-Term Care policies on frailty risk for older people in Europe and the UK" at *King's College London* (2020-2022, PI: Avendano), funded by the Consortium of King's College and Université de Paris.
7. **Co-Investigator (leader of Work Package 5)** for the project "How are varying care systems associated with inequalities in informal care, health and wellbeing in later life" (IN-CARE) at *King's College London* (2019-2022; Principal Investigator: Broese van Groenou, VU Amsterdam; PIs for King's: Glaser, Avendano), funded by the Economic and Social Research Council (ES/S01523X/1).

8. **Coordinator and Principal Investigator** of the project “Need-assessment and eligibility rules for Long-Term Care in Italy: the economic and policy implications of a fragmented framework”, from 2015 to 2017, funded by the Italian Health Economics Association (AIES) and the Farmafactoring Foundation.
9. **Coordinator and lead researcher (for King’s work packages)** for the project “Impact of interventions and policies on prolonging working life in good health: an international study” (WORKLONG) at *King’s College London* (2016-2020; PI: Burdorf, Erasmus MC; and Avendano, King’s College), funded by the Economic and Social Research Council (ES/P000487/1).
10. **Coordinator and lead researcher (for King’s work packages)** for the project “Promoting mental wellbeing in the aging population” (MINDMAP) at *King’s College London* (2019-2020; PIs: van Lenthe, Avendano), funded by the European Commission (667661).
11. **Researcher** for the project “Wellbeing, Health, Retirement and the Lifecourse” (WHERL) at *King’s College London* (2016-2017; PI: Glaser), funded by the Economic and Social Research Council (ES/LS002825/1).
12. **Collaborator** for the project “Multinational Advancement of Research Infrastructures on Ageing” (SHARE_M4), from 2014 to 2016, at *Ca’ Foscari University Venezia* (PI: Brugiavini), funded by the European Commission (261982).
13. **Collaborator** for of the project “SERISS, Synergies for Europe’s Research Infrastructures in the Social Sciences” at *Ca’ Foscari University Venezia* (PI: Brugiavini), from 2016 to 2018, funded by the European Commission (654221).
14. **Collaborator** for of the project “SHARE-COHESION” at *Ca’ Foscari University Venezia* (PI: Brugiavini), since 2019, funded by the European Commission (870628).

Consultancy and advisory roles

1. Consultant for the World Health Organisation (WHO) Centre for Health Development (Kobe Centre, Director Sarah Barber), 2021-2023.
2. Invited member of the Advisory Board for the project “Living Alone with Cognitive Impairment (LACI)” at University of California San Francisco (PI: Portacolone). 2021-2025.
3. Invited member of the Advisory Board for the project “Global Dynamics of Long-term Care Policies” (PI: Rothgang), University of Bremen..

Academic associations membership

1. Royal Economic Society (RES); International Health Economic Association (IHEA); Health Economists' Study Group (HESG); The UK Health Economics Association; European Association for Population Studies (EAPS); Population Association of America (PAA); Society of Italian Economists (SIE); Italian Health Economics Association (AIES).

Research Awards

1. **Best Ph.D.-thesis Award.** The Society of Italian Economists (SIE), 2015.

Research funding awarded

1. “PRO-BENECOMUNE”: competitive grant to promote research and activities aimed at supporting students’ wellbeing (CO-I). Funded by the Italian Ministry of University and Research (€2,750,000). Project Leader: University of Calabria. Trieste Unit led by Prof. Barbara Penolazzi.
2. “Working conditions, work and health”: competitive research grant from the University of Trieste (€5,000).
3. “G2AGING – Gateway to Global Aging”: research funding for the Trieste branch (\$210,000), sub-contract awarded by the University of Southern California, funded by the National Institute of Aging (Main PI: Prof. Jinkook Lee).
4. “Understanding the mental health impact of the UK Government social welfare system response to Covid-19” (CO-PI), PI: Avendano, funded in 2020 by the ESRC Centre for Society and Mental Health (£10,000).
5. “The impact of Long-Term Care policies on frailty risk for older people in Europe and the UK” (CO-PI), PI: Avendano, 2020-2022. Funded by the Research Consortium of King’s College and Université de Paris (€32,000). Other partners: *Université de Paris (Rapp, Sicsic)*.
6. “How are varying care systems associated with inequalities in informal care, health and wellbeing in later life (IN-CARE)” (CO-I); PI: Broese van Groenou; UK-PI: Glaser, 2019-2022. Funded by Open Research Area and ESRC (€1,213,359). Other partners: *VU Amsterdam (Broese van Groenou), TU Dortmund (Brandt), Keio University (Ibuka)*.
7. “Need-assessment and eligibility rules for Long-Term Care in Italy: the economic and policy implications of a fragmented framework” (PI), 2015-2017. Funded by the Italian Health Economics Association (AIES) and the

Farmafactoring Foundation (€10,000). Other partners: *Ca' Foscari Venezia (Giove)*, *Roma Tor Vergata (Atella, Belotti, Piano Mortari)*, *University of Bari (Pilotto)*.

8. Ph.D. student fellowship full-time fellowship awarded by the Italian Ministry of University and Research, 2010-2013.

RESEARCH: REVIEWER ACTIVITY FOR INTERNATIONAL JOURNALS

- Reviewer for Ageing & Society, Aging Clinical and Experimental Research, European Journal of Health Economics, Health Economics, Journal of Aging and Health, Journal of Epidemiology and Community Health, The Lancet Health & Longevity, Social Indicators Research, The Journals of Gerontology Series B.
- Reviewer for the Irish Research Council Laureate Award Scheme, and the Israel Science Foundation.

RESEARCH: ACADEMIC DISSEMINATION, KNOWLEDGE MOBILISATION AND IMPACT

Research dissemination within national and local government bodies

- 2024: **Invited consultancy meeting** with Friuli Venezia Giulia's Regional Labor Ministry on challenges faced by workers with care duties. Trieste (November).
- 2021: **Seminar** "Impact of policies extending working lives on women's wellbeing in the UK" at All Party Parliamentary Group on Women's Pensions. Online.
- 2020: Research findings included in **procedures** of Parliamentary Select Committee on Health & Social Care (SCF0080).

Organiser of dissemination events, policy seminars and workshops

- 2024: 1. **Workshop** "Promoting wellbeing for University students and staff: the experience of King's College London". Trieste (November).
- 2023: 1. **Dissemination event** "Health and Work: challenges in a changing economy". Trieste Next, Trieste.
- 2022: 1. **Dissemination event** "The invisible hand: how do social policies influence health and inequality?". Trieste Next, Trieste.
- 2020: 1. **Workshop** "Policies for prolonging working life in good health" with Department for Work and Pensions and Office for National Statistics. Online. 2. **Workshop** "How are varying long-term care systems associated with inequalities in care and wellbeing in later life?", with London School of Economics, University of Birmingham, PSSRU-University of Kent, International Longevity Centre, The Picker Institute, Age UK, Carers UK, Age International, Nuffield Trust. London.
- 2019: **Workshop** "Policies for prolonging working life in good health" Department for Work and Pension, Her Majesty's Treasury, University of Manchester, London School of Economics, Age UK and Centre for Ageing Better. London.
- 2018: **Workshop** "Health consequences of extending the State Pension Age" with Her Majesty's Treasury. London.

Invited speaker at dissemination events and policy workshops

- 2024: 1. **Dissemination event** "Caregiver Lavoratori – Indagine regionale – Associazione De Banfield" Trieste. 2. **Policy seminar** "How do Long-Term Care Eligibility Rules Shape Inequalities in Care Coverage and Well-being? Lessons from Europe and Beyond". WHO Regional Office for Europe, Copenhagen. 3. **Policy workshop "Promoting long-term care at home"**, OECD, Paris. 4. **ESRC Centre for Society and Mental Health Conference 2024**, London. 6. **Caregiver Day 2024**, Udine. 5. **Fabbricare Società**, Gorizia.
- 2023: 1. **Seminar** "The care dividend: the case for investing in long-term care". WHO Centre for Health Development, Kobe. 2. **Roundtable** "Silver Economy: cambiamenti e opportunità". Trieste Next festival, Trieste.
- 2018: 1. **Seminar** "Pension policies and health". Department for Work and Pensions, London. 2. **Seminar** "Vulnerability and Long term Care in Europe: an economic perspective" OECD Health Seminars Paris. 3. **Roundtable** "More Years Better Lives, Progress Dialogue", Bruxelles. 4. **Seminar** "Health consequences of extending State Pension Age". Department for Work and Pensions, London.
- 2017: 1. **Seminar** "The impact of policy interventions in extending working lives", Department for Work and Pensions, London. 2. **Seminar** "Health consequences of higher Retirement Age in the UK". Fuller Working Lives ESRC Event, London.

Organiser of academic seminars and workshops

2024: 1. “Gateway to Global Aging Research Week”, *University of Trieste*. Workshop “Ph.D. Day 2024”, *University of Trieste*.

2023: 1. Workshop “Ph.D. Day 2023”, *University of Trieste*.

2022: 1. Workshop “IN-CARE consortium”, with TU Dortmund, Keio University, VU Amsterdam. *London*. 2. workshop “L’impatto della qualità del lavoro sul benessere del lavoratore”, *University of Trieste*.

2021: Organiser of the Institute of Gerontology / Ageing and Society Group **seminar series**, *King’s College London*.

2019: **workshop** “WORKLONG Consortium: London workshop”, with Erasmus MC, Umea University. *London*.

2017: **workshop** “WORKLONG Consortium: 1st workshop” with Erasmus MC, Umea University. *London*.

Organiser of sessions at academic conferences

2021: “Formal long-term care: price sensitivity, health effects and quality measurement”. *International Health Economics Association conference* (co-host M. Tenand, Erasmus MC). Online.

Invited speaker at seminars or academic conferences

2024: 1. Joint Research Center, *Ispira*. 2. Long-Term Care conference 2024, *King’s College London*. 3. Joint Research Center (2), *Ispira*.

2023: 1. VIU Summer Institute on Ageing, *Venezia*. 2., Conference “Strumenti per la valutazione dell’efficacia, sostenibilità ed equità degli interventi di prevenzione: uno sguardo al futuro”, *Gorizia, University of Trieste*.

2022: 1. XXII World Congress of Gerontology and Geriatrics, *keynote speaker*, online. 2. Department of Global Health & Social Medicine seminar series, *King’s College London*. 3. University of Lausanne, *Lausanne*. 3. Collegio Fonda Seminar Series, *Trieste*.

2019: 1. Centre for Longitudinal Studies/University College London. 2. University of Trieste. 3. University College Dublin (with M. Avendano). 4. UNAM University, *Mexico City*. 5. European Centre for Social Welfare Policy and Research, *Vienna*.

2018: 1. London School of Economics Global Ageing and Health Seminars. 2. Institute of Education, *London* (with M. Avendano). 3. German Institute for Economic Research (DIW), *Berlin*. 4. Università Ca’ Foscari, *Venezia*.

2017: 1. London School of Economics Global Ageing and Health Seminars. 2. VIU Summer Institute on Ageing, *Venezia*. 3. Festival dell’Economia, *Trento* (con A. Brugiavini). 4. Global ageing conference, Royal Society of Medicine, *London* (with M. Avendano).

2016: International College Ca’ Foscari, *Venezia*.

2015: 1. Annual SHARE workshop, *Paris Dauphine*. 2. *University of Trieste*.

Speaker at academic conferences

2024: 1. European Health Economics Association Conference, *Vienna*. 2. International Long Term Care Policy Network Conference 2024, *Bilbao*. 3. Italian Health Economics Association, *Napoli*.

2023: 1. Transforming Care Conference, *Sheffield*; 2. G2AGING LTC Policy Conference 2023, *Washington (DC)*.

2022: 1. Population Association of America Conference, *Atlanta (GA)*; 2. Royal Economic Society, *online*; 3. NBER International Long Term Care project, *MEA München*; 4. American European Health Economics Workshop, *Barcelona Pompeu Fabra*. 5. Conference of the Italian Public Economics Association (SIEP), *L’Aquila*.

2021: 1. Essen Economics of Mental Health Workshop, *online*; 2. The Monthly Analysis of Global Aging Data Seminar Series, *Gateway to Global Ageing*, *online*; 3. Society of Economics of the Household, *online*; 4. UK Health Economics Study Group, *online*; 5. Understanding Society Changing Families, *online*; 6. Royal Economic Society, *online*.

2020 (all cancelled): 1. Royal Economic Society, *Belfast*; 2. Population Association of America, *Washington*; 3. European Population Conference, *Padova*; 4. European Health Economics Association, *Oslo*; 5. Italian Health Economics Association, *Milano*.

2019: 1. European Labour Economics Association, *Uppsala*; 2. International Health Economics Association, *Basel*; 3. American-European Health Economics Workshop, *Wien*; 4. Population Association of America, *Austin*

2018: 1. European Public Health Conference, *Ljubljana*; 2. Italian Health Economics Association, *Napoli*; 3. GHSM Seminar Series, *King’s College London*; 4. International Long-Term Care Policy Network, *Vienna*;

5. **British Society of Gerontology**, *Manchester*; 6. **International Association for Applied Econometrics**, *Montreal*; 7. **European Population Conference**, *Bruxelles*.

2017: **International Health Economics Association**, *Boston*;

2016: 1. **Alpha Seminar Series**, *London School of Economics*; 2. **Italian Quality of Life Association (AIQUAV)**, *Firenze*; 3. **International Long-Term Care Policy Network**, *London*; 4. **WIEM Conference**, *Warsaw*; 5. **International Association for Applied Econometrics**, *Milano*; 6. **University of Groningen**; 7. **BoMoPaV conference**, *Bologna*; 8. **Data Science and Social Research Conference**, *Napoli*.

2015: 1. **Complexity in Society Conference**, *Padova*; 2. **University of Trieste**; 3. **Collegio Carlo Alberto**, *Torino*; 4. **Italian Health Economics Association**, *Venezia*; 5. **International Long-Term Care Policy Network**, *London*
