

**Gaetano Fiorin**  
**CURRICULUM VITAE**  
**01/10/2025**

Sono professore associato di Linguistica Generale al Dipartimento di Studi Umanistici dell'Università degli Studi di Trieste. Mi occupo di linguistica teorica e applicata, in particolare: sintassi, semantica e loro interfaccia; acquisizione del linguaggio e patologie linguistiche; metafisica del linguaggio e interfaccia tra linguaggio e altri sistemi cognitivi. Ho esperienza di insegnamento di diverse discipline (tra cui linguistica teorica, linguistica sperimentale e applicata, logica e filosofia del linguaggio) in contesti educativi votati all'interdisciplinarietà e rivolti a studentesse e studenti provenienti da diversi contesti culturali e linguistici.

*I am associate professor of General Linguistics at the Department of Humanities of the University of Trieste, Italy. I research focuses on theoretical and applied linguistics, in particular: syntax, semantics and their interface; language acquisition and language pathologies; natural language metaphysics and the interface between language and other cognitive systems. I have experience in teaching different disciplines (including theoretical linguistics, experimental and applied linguistics, logic and philosophy of language) in interdisciplinary educational contexts and with students from different linguistic and cultural paths.*
