

## RAISE YOUR VOICE INITIATIVE

Let us know your view, opinion, needs and suggestions to improve the stay in FVG

### Call for expression of interest

**Raise Your Voice** is an initiative promoted by **Welcome Office FVG** to get **your feedback** and learn about **your experience** in **studying and carrying out research in FVG region**.

We would like to hear directly from PhD student/researcher's voice in order to **continue to meet their expectations** in staying in FVG region in terms of welcoming services in general.

It is important that we acknowledge the good and the not-so-good things, what is working well so we can amplify this further and what not, to help us in improving it.

### *How to join the initiative?*

**Open call for expression to interest is available from now on.**

By emailing [mobility@areasciencepark.it](mailto:mobility@areasciencepark.it) (object: Raise your voice)

Welcome Office FVG staff will collect the expression to interest to be engage in it and your thoughts, idea, needs, desires, remarks, etc.

PhD students and researchers will be also involved in a couple of **online focus groups from Sept 2022 – Febr 2023** to talk together about that, brainstorming, etc.

***Are you interested in it? Do you want us to hear your opinion about the stay and the welcome services?***

Send us and email to [mobility@areasciencepark.it](mailto:mobility@areasciencepark.it) (object: Raise your voice).

You will be contacted by Welcome Office FVG staff asap.

The first online focus group will be scheduled in September/October 2022.
