

Società Chimica Italiana

In the frame of the Collaborative Agreement between  
Società Chimica Italiana and Société Française de Chimie

**The 2017 SCI-SFC Lectureship**

Is awarded to

**Prof. Michel Che**

Université Pierre et Marie Curie – Paris, France

*For pioneering a molecular approach to catalyst design by bridging the gap  
between homogeneous and heterogeneous catalysis through the new field of  
interfacial coordination chemistry*

Società Chimica Italiana  
The President  
Prof. Angela Agostiano

Roma, Italy - June 1<sup>st</sup> 2018
