

CERIC

Science
Picture
Contest 2018

EXTENDED DEADLINE

15 December 2018

Are you a researcher, a student, a photographer, a traveller...
a person willing to show the world of materials/biomaterials science
and nanotechnology from your own perspective?

Apply to the the CERIC Science Picture Contest 2018!

Send us your scientific images (microscopy imaging, structures,
chemical mapping, etc.) **from any facility worldwide, or any other picture
showing the research environment at the CERIC facilities,
its instruments and laboratories!**

How
to
apply

- Take up to 5 pictures
- Upload them (and the participation form)
at: goo.gl/WeJAoc and share them on Twitter
with the hashtag **#CERICpicturecontest**
- Wait for selection
- Win an award

To visit our facilities and take pictures at our labs,
write to our local contact points: goo.gl/gJcufC

Download the **participation form** and the rules of the contest at
