Nanotecnologie

Early registration

deadline: November
22nd

Late registration

deadline: December
6th

Abstract submission:

November 22nd

Scientific Committee

T. Da Ros (University of
Trieste & INSTM)

C. Giannini (CNR-IC &
INSTM)

D. Peddis (University of
Genoa, INSTM, CNR-
ISM)

C. Sangregorio (CNR-
ICCOM & INSTM)

Organizing Committee

T. Da Ros (University of
Trieste & INSTM)

R. Lassandro (CNR-IC)

T. Sibillano (CNR-IC)

School of Nanomedicine

Trieste, 11th – 13th December 2019
University of Trieste - Main Campus

Building H3 - Room 3B, 3rd floor

The School is dedicated to Master students, PhD students, early stage researchers, and whoever is interested in an introduction to this rather new field of research.

The scientific programme includes the following topics:

Nanodrugs

Materials for Nanomedicine

From Bench to Bed

Nanodevices

Invited speakers:

Riccardo Bertacco (Politecnico of Milano)

Lucia Curri (University of Bari)

Paolo Decuzzi (IIT – Genova)

Christian Demitri (University of Salento)

Julijana Kristl (University of Ljubljana)

Teresa Pellegrino (IIT – Genova)

Roberto Pini (IFAC-CNR – Pisa)

Maurizio Prato (University of Trieste)

Francesco Ricci (University of Roma Tor Vergata)

Maria Grazia Raucci (IPCB - CNR – Napoli)

Gaetano Scamarcio (University of Bari)

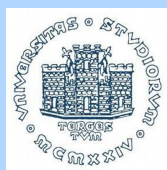

Anna Tampieri (ISTEC-CNR - Faenza)

Special guests:

Pietro Greco

Paolo Netti (Federico II University)
